correct when made, is now incorrect in any material respect. For any requests to which Shelby Energy fails or refuses to furnish all or part of the requested information, Shelby Energy shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations.

Refer to Shelby Energy's response to Commission Staff's First Data Request, Item 17(b). What is the value (as of the date Shelby Energy files its response to this data request) of the remaining services which Dobson Power Line Construction Company has yet to perform under the November 21, 2006 contract? If the exact value is unknown, provide an estimation of the amount, as well as a description of any variables that were used and how the value of those variables was approximated.
